relationship between the borrower and the CI has ended since the last reporting reference date.

(iii) For other submissions during the month, i.e., credit information records as on 9<sup>th</sup>, 16<sup>th</sup> and 23<sup>rd</sup> day of the month, a CI shall only furnish 'incremental accounts' to CICs. The CI shall submit such credit information to CICs within four (4) calendar days from the above-mentioned dates. ## 16. Data formats

(1) The reporting of credit information by CIs to the CICs, shall be undertaken in standardised data formats as prescribed in [Annex I](#). These standardised data formats would be a non-proprietary reporting format and shall be known as "Uniform Credit Reporting Format" (UCRF) as denoted below:

---

<sup>2</sup> Substituted with effect from July 01, 2026, vide [Reserve Bank of India \(Credit Information Companies\) Amendment Directions, 2025 dated December 04, 2025](#).

**Form 1:** Uniform Credit Reporting Format (Consumer) – for consumer segment.

**Form 2:** Uniform Credit Reporting Format (Commercial) – for commercial segment

**Form 3:** Uniform Credit Reporting Format (MFI) – for microfinance segment.

- (2) CIs are mandated to report credit information to a CIC in standardised data formats for consumer segment, commercial segment and microfinance segment. A CIC may incorporate in the Consumer Data format, the additional fields contained in the Annex 5 of the [Aditya Puri Committee Report](#) except for priority sector indicator field. For vehicles, only vehicle make and registration number shall be compulsory and not the chassis number. The registration number of property registered with Central Registry of Securitisation Asset Reconstruction and Security Interest of India (CERSAI) shall be added by a CIC.
- (3) The information on Commercial Papers (CPs) issued by the companies shall be reported on a fortnightly basis to the CICs by a CI which has been designated as the Issuing and Payment Agent (IPA) for the particular CP issue. If there are multiple IPAs for a single CP issue, each IPA to such issue shall report to the CICs the details pertaining to the portion of the issue which is with them. This information shall be reported in the commercial data format in the fields as mentioned in [Annex II](#). The IPA shall also report any default in the redemption of the relevant CP issue to the CICs. In view of reporting requirement of IPA, it is clarified that an investing CI need not report the information on CPs to the CICs.
- (4) The information regarding Unhedged Foreign Currency Exposure (UFCE) of individual borrowers shall be reported on a fortnightly basis to the CICs by the lending CI (in the case of solo lenders) / consortium leader (in the case of consortium arrangements) / largest lender (in the case of multiple lending arrangements).
- (5) The cases admitted with National Company Law Tribunal (NCLT) / National Company Law Appellate Tribunal (NCLAT) under the Insolvency and

Bankruptcy Code, 2016 shall be reported under the suit-filed cases in the Uniform Credit Reporting Format, while reporting to the CICs.

- (6) A CIC shall furnish the list of CIs not adhering to the instructions on reporting of Relationship Segment (RS) data to the Department of Supervision (DoS), Central office, on a monthly basis in the format mentioned in [Annex III](#).

*Explanations:*

- (a) Reporting of RS data by CIs to CICs is mandatory for all accounts opened on or after July 01, 2018 as RS details are important in establishing cross-linkages across the three modules, viz., Consumer, Commercial and MFI, while providing comprehensive credit information of a borrower to CIs by CICs.
  - (b) Reporting of shareholders' information under the 'relationship' field of the RS in the Commercial data format should be done only for those shareholders who are 'Beneficial Owners' as defined under the Know Your Customer Directions issued to CIs.
- (7) A CIC shall clearly intimate guidelines for cross reporting, e.g., where individual is borrower and corporate is co-borrower, or vice versa. The reporting formats have fields to incorporate the data where consumer data will be reported in the consumer data format and co-borrower will be reported in commercial data format.
- (8) There shall be only one software format for uploading and reverting reject data from the CICs, as conversions / reconversions between formats like Excel / TUDF / Notepad, etc., during the process of furnishing data, create validation issues. The Technical Working Group may further deliberate on this issue and make suitable suggestions, if considered necessary to RBI in this regard.

**17. Data of Self-Help Group (SHG) members**

- (1) CIs financing SHGs shall report the SHG member level data to CICs in the Uniform Credit Reporting Format (MFI) as mentioned in [Annex I](#).
- (2) The structure of the credit information in respect of SHG members to be collected and reported by a CI to CICs is set out below:

| Sl. No. | Particulars                                                                                                                                                                   | <a href="#">Annex IV</a> |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|
| 1       | Information to be collected by CIs from individual SHG members where the total amount of loan to be attributed to or to be availed by the SHG member exceeds ₹30,000/-        | Table 1                  |
| 2       | Information to be collected by CIs from individual SHG members where the total amount of loan to be attributed to or to be availed by the SHG member is <u>upto</u> ₹30,000/- | Table 2                  |
| 3       | Information on all individual SHG members to be reported by CIs to CICs [included under the Uniform Credit Reporting (MFI) format]                                            | Table 3                  |
| 4       | Information on individual SHG members to be collected by banks at the time of opening of new Savings Bank Accounts of the SHG                                                 | Table 4                  |

(3) The data tables are given in [Annex IV](#). As indicated above, a CI shall collect information from all SHG members in Tables 1 and 2 and report it to the CICs as set out in Table 3. The SHG member level data as mentioned in Table 3 shall be subsumed in Form 3: Uniform Credit Reporting format (MFI) of [Annex I](#) for reporting to CICs. The tables have been designed based on the following considerations:

- (i) Some of the information (Item number 17 of Tables 1 and 2) is related to the existing exposures of the SHG members including that of the SHG groups with whom they might have been previously associated. This is intended to help CIs make informed credit decisions with regard to the SHG members. This information may be collected by CIs directly from the CICs based on lead information provided by the SHG members. Hence, there would be no need for CIs to include this information in the dataset reported to the CICs as per Table 3.
- (ii) The collection and reporting of credit information in respect of SHG members will be restricted to the members of those SHGs that take loans exceeding ₹1,00,000/-. However, the members of all SHGs, regardless of the amount of group loan, shall report the non-credit information to CIs

through the SHG Group at the time when the SHG approaches the CI for a loan.

- (iii) The non-credit information requirements have been designed both from the perspective of identification of the individual borrowers and supplementing the information requirements of banks, regulatory and government development agencies for the purpose of evaluating the flow of credit to various sub-segments of the SHG members and designing suitable credit penetration strategies keeping in view the socio-economic profile of the sub-segments. The information shall be reported by CIs to the CICs in a manner that allows the CICs to identify all members associated with a particular SHG and a particular person to be identified with all SHGs with whom he/she is/was associated.
- (4) A CIC shall make the necessary changes in its systems and procedures to enable CIs report credit information regarding members of the SHGs as per Credit Information Reporting Directions issued to CIs.
- (5) In accordance with its board approved policy, a CIC may also share the aggregate information with other parties for the purpose of undertaking research that could potentially benefit the SHG segment. The aggregate information shall be shared in a manner that is non-discriminatory and respects the confidentiality of the individual SHG groups and the SHG members as per the relevant laws of the country.

#### **18. Records of CIs with cancelled licence or Certificate of Registration**

- (1) In case of cancellation of Certification of Registration (CoR) / licence of a CI by RBI, either through voluntary submission or supervisory action, a CIC shall insert a suitable disclaimer in the records of the CI's borrowers to reflect non-updatability of the record due to closure of the CI in their CIR.
- (2) In order to address the challenges in updating credit information of borrowers of CI whose CoR / licence has been cancelled, a CIC shall implement a credit information reporting mechanism subsequent to cancellation of licence / CoR of banks / NBFCs as under:
  - (i) A CIC shall not charge the annual and membership fees from these CIs.

- (ii) The CIC shall tag these CIs as "Licence Cancelled Entities" in the CIR. The CIC shall base this tagging based on the information available on the website of RBI or the cancellation of licence order received from RBI.

This would facilitate comparison between CIRs received from two or more CICs, by the users. A CIC shall provide a single CIR for one borrower, even if the firm / person has more than one address, by utilising a unique identification number such as PAN number, Voter ID number, Passport number, Driving License number, etc., provided by the CI.
- (2) A CIC shall capture details of co-borrowers and guarantors, wherever applicable, in the CIR. This would facilitate deciding on the extent of exposure a CI can consider on an entity. The CIR shall give details of the loans availed by the customers in their capacity as borrower / co-borrower / guarantor.
- (3) In the case of multiple borrowings by the same customer, involving both current and closed accounts, a CIC shall provide information on various accounts in the order of live accounts, closed accounts and overall position of NPA status / wilful default / suit filed, with limits and liabilities for each account.

If the customer so desires, his/ her comment could also be added to the CIR. Certain fields pertaining to consumer disputes viz. dispute code, dispute description, dispute date and consumer comments on disputes (as listed in Annex 5 of the [Aditya Puri Committee Report](#)) may be included in the CIR.
- (5) Information relating to loans declined previously to customers shall not be reported by a CIC, as such information could be prejudicial to the interests of the customer as rejection in one CI could be used as a ground for rejection of the same by another CI.

- (6) In addition to the existing CIR, the CIC may provide a Comprehensive Credit Information Report (CCIR) incorporating the credit information in respect of a borrower available in all the modules, i.e., the consumer, commercial and MFI, as an additional option for usage by CIs. This would provide the CIs with an option to consume either the CIR or the CCIR, based on their respective credit appraisal requirements.
- (7) To facilitate the understanding and interpretation of credit scores in an easy and consistent manner, the credit scores shall be calibrated from 300 to 900 by a CIC to enable common classification of credit scores. The CIC shall provide access in an electronic format, upon request and after due authentication of the requester, to one Free Full Credit Report (FFCR) including credit score, once, at any time, during a year (January – December), to individuals whose credit score is available with them.
- (i) FFCR shall show the latest position of the CIs exposure to the individual as per the records available with a CIC. The contents of the FFCR shall be the same as appearing in the most detailed version of the reports of the individual provided to CIs, including the credit score.
- (ii) A CIC shall prominently display the link for accessing the FFCR on its website (on the homepage itself) so that individuals are able to access their FFCR conveniently.
- (8) The enquiry module of a CIC for generation of CIR shall have appropriate sub-fields (with not more than five to seven options each) for the SUs to choose from while selecting the purpose of enquiry. Further, one of the sub-fields in the enquiry module of CIC shall be invariably designated as 'Business Loan - Director Search - soft enquiry - score unaffected'.
- (9) A CIC shall conduct awareness programmes to sensitize SUs on the importance of choosing correct enquiry parameters and its implications.
- (10) <sup>8</sup>CICs shall have a uniform table for enquiry purposes in their enquiry module.

The Information System auditor appointed for the purpose shall examine compliance to the above.

#### 41. **Framework for compensation for delayed updation / rectification of credit information**

A CIC shall implement the following compensation mechanism for delayed updation / rectification of credit information:

- (1) Complainants shall be entitled to a compensation of ₹100 per calendar day in case their complaint is not resolved within a period of thirty (30) calendar days from the date of the initial filing of the complaint by the complainant with a CI / CIC.

*Explanation:*

- (i) Section 21(3) of CICRA, 2005 provides that a complainant may request a CIC or CI to update the credit information by making an appropriate correction, addition or otherwise, and on such request the CI or CIC shall take steps to update the credit information within 30 days after being requested to do so.
  - (ii) Rule 20(3)(c) of CIC Rules, 2006 provides that the CI shall forward the corrected particulars of the credit information to the CIC or complainant within a period of 21 days from the date when the CI was informed of the inaccuracy in the credit information.
  - (iii) The combined reading of Section 21(3) of CICRA, 2005 and Rule 20 (3) (c) of CIC Rules, 2006 provide the CI and the CIC, collectively, an overall limit of 30 days to resolve / dispose of the complaint. In effect, this would mean that a CI would get 21 days and a CIC would effectively get the remainder of nine days for complete resolution of the complaint.
- (2) A CIC shall pay compensation to the complainant if it has failed to resolve the complaint within 30 calendar days of being informed by the complainant or a CI, despite the CI having furnished the updated credit information to the CIC within 21 calendar days of being informed by the complainant or the CIC.

- (3) The complainant shall be advised by the CIC of the action taken on the complaint in all cases, including the cases where the complaint has been rejected. In cases of rejection, the reasons for rejection shall also be provided by the CIC.
- (4) Compensation to be provided by the CIC to the complainant (for delayed resolution beyond 30 calendar days of filing the complaint) shall be apportioned among the CIs / CICs concerned proportionately.

### **Illustrations:**

#### **(4.1) Complaints registered with CIC by the complainant**

CIs have maximum 21 days' time and a CIC has the remaining period, within the overall time period of 30 days from the date of receipt of the complaint for its resolution. Compensation payable by the CICs / CIs shall be calculated under various scenarios as illustrated below.

#### **(a) Case 1**

- (i) Complaint registered with a CIC on January 1, 2022.
- (ii) The CIC seeks confirmation from the CI (for e.g. Bank A) on January 12, 2022.
- (iii) Bank A provides confirmation to the CIC on February 2, 2022 (21st day would be February 2, 2022) – no delay by Bank A.
- (iv) The CIC resolves and provides rectified CIR to the complainant on February 3, 2022.
- (v) Compensation of ₹300 shall be provided by the CIC to the complainant for delay of 3 days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).

#### **(b) Case 2**

- (i) Complaint registered with a CIC on January 1, 2022
- (ii) The CIC seeks confirmation from Bank A on January 5, 2022
- (iii) Bank A provides confirmation to the CIC on January 26, 2022 (i.e. within 21 days) – no delay by Bank A.
- (iv) The CIC resolves and provides rectified CIR to the complainant on February 3, 2022

- (v) Compensation of ₹300 shall be provided by the CIC to the complainant for delay of 3 days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).

(c) **Case 3**

- (i) Complaint registered with a CIC on January 1, 2022
- (ii) The CIC seeks confirmation from Bank A on January 5, 2022
- (iii) Bank A provides confirmation to the CIC on January 28, 2022 (21st day would be January 26, 2022) – 2 days delay by Bank A.
- (iv) If CIC resolves and provides rectified CIR to the complainant on February 2, 2022 - Compensation of ₹200 shall be provided by the Bank A to the complainant for a delay of 2 days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).
- (v) If CIC resolves and provides rectified CIR to the complainant on February 3, 2022 – Total compensation of ₹300 [₹200 by Bank A and ₹100 by CIC] shall be provided to the complainant for delay of 3 days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).

(d) **Case 4**

- (i) Complaint registered with a CIC on January 1, 2022
- (ii) The CIC seeks confirmation from Bank A, Bank B, Bank C, Bank D, Bank E on January 5, 2022 – i.e. the CIC has taken 4 days to seek confirmation.
- (iii) For Bank A, B, C, D and E – (21st day would be January 26, 2022)
- (iv) If Bank A provides confirmation to CIC on January 26, 2022 – No delay
- (v) If Bank B provides confirmation to CIC on January 31, 2022 – 5 days delay
- (vi) If Bank C provides confirmation to CIC on February 2, 2022 – 7 days delay
- (vii) If Bank D provides confirmation to CIC on February 4, 2022 – 9 days delay
- (viii) If Bank E provides confirmation to CIC on February 6, 2022 – 11 days delay

32  
day

- (ix) Therefore, total delay in resolution of complaint is as follows:
- (x) If the CIC resolves and provides rectified CIR to the complainant on February 6, 2022 – Total compensation of ₹600 shall be provided to the complainant, on a weighted average basis, as under, for a delay of 6 days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022):

*Explanation:* The delay of six days shall be apportioned by the CIs/CICs on weighted average of the extent of delay by each CIs/CICs. In the above case, the overall delay is 6 days and therefore the complainant shall be entitled for total compensation of ₹600. This needs to be apportioned between all the defaulting banks (in this case Bank B, C, D and E). Cumulatively, the delay of all the defaulting banks put together is 32 days (5+7+9+11 days). Therefore, the compensation amount of ₹600 shall be apportioned on weighted average of the delay by each CIs in relation to the overall delay of 32 days in this case.

Bank A = No compensation

Bank B =  $(5*600)/32 = ₹93.75$

Bank C =  $(7*600)/32 = ₹131.25$

Bank D =  $(9*600)/32 = ₹168.75$

Bank E =  $(11*600)/32 = ₹206.25$

CIC = No compensation

- (xi) If the CIC resolves and provides rectified CIR to the complainant on February 11, 2022, total days taken by CIC would be 9 days (i.e. 4+ 5 days). Total compensation of ₹1100 shall be provided to the complainant, on a weighted average basis, as under, for delay of 11 days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022):

Bank A = No compensation

Bank B =  $(5*1100)/32 = ₹171.88$

Bank C =  $(7*1100)/32 = ₹240.62$

Bank D =  $(9*1100)/32 = ₹309.38$

Bank E =  $(11*1100)/32 = ₹378.12$

CIC = No compensation (as CIC has taken overall 9 days)

- (xii) If the CIC resolves and provides rectified CIR to the complainant on February 15, 2022. CIC has taken 13 days (i.e. 4 days + 9 days) to provide a final rectified CIR. Total compensation of ₹1500 shall be provided to the complainant, on a weighted average basis as under, for the delay of 15 days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022):

Bank A = No compensation

Bank B =  $(5 \times 1500) / 36 = ₹208.34$

Bank C =  $(7 \times 1500) / 36 = ₹291.66$

Bank D =  $(9 \times 1500) / 36 = ₹375.00$

Bank E =  $(11 \times 1500) / 36 = ₹458.34$

CIC =  $(4 \times 1500) / 36 = ₹166.66$

32 + 4 = 36  
days

(e) **Case 5**

- (i) Complaint registered with a CIC on January 1, 2022
- (ii) The CIC seeks confirmation from Bank A on January 5, 2022
- (iii) Bank A provides confirmation to the CIC on January 28, 2022 (21st day would be January 26, 2022) – 2 days delay.
- (iv) If, CIC resolves and provides rectified CIR to Bank A on January 31, 2022 (i.e. resolution done within 30 days of receiving the complaint) - No case for Compensation.
- (v) However, the CI would be liable for penal action as deemed fit by the Reserve Bank of India as per provisions of CICRA, 2005 and Rules and Regulations framed thereunder.

(4.2) Complaints registered with CIs by the complainant

(a) **Case 6**

- (i) Complaint registered with a CI (for e.g. Bank A) on January 1, 2022
- (ii) Bank A provides rectified details to CIC on January 22, 2022 (21st day would be January 22, 2022) – no delay by Bank A.
- (iii) If the CIC resolves and provides rectified CIR to Bank A on January 31, 2022 and Bank A provides the rectified CIR to the complainant on January 31, 2022 – No case for compensation.

- (iv) If the CIC resolves and provides rectified CIR to Bank A on January 31, 2022 and Bank A provides the rectified CIR to the complainant on February 1, 2022 – A compensation of ₹100 shall be provided by the Bank A to the complainant for delay of 1 days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).
- (v) If the CIC resolves and provides rectified CIR to Bank A on February 1, 2022, and Bank A provides the rectified CIR to the complainant on February 1, 2022 - A compensation of ₹100 shall be provided by the CIC to the complainant for delay of 1 day beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).
- (vi) If the CIC resolves and provides rectified CIR to Bank A on February 1, 2022 and Bank A provides the rectified CIR to the complainant on February 2, 2022 - Total compensation of ₹200 shall be provided [₹100 by the CIC and ₹100 by Bank A] to the complainant for delay of 2 day beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).

**(b) Case 7**

- (iv) organise trainings for member CIs in order to make them understand the formats, importance of data reporting and how to improve data acceptance ratio;
- (v) build into agreements with the SUs, safeguards in respect of data usage in terms of Rule 27 of the CIC Rules by SUs;
- (vi) to avoid multiple financing for the same purpose / fraudulent transactions, provide alerts to all CIs who have drawn reports whenever CIRs on the same borrower are accessed by more than one CI within a period of one month;
- (vii) indicate to other credit grantors, without disclosing the name of the CIs, alerts on borrowers who are changing their addresses / offices;
- (viii) provide behaviour pattern of the borrowers, viz., frequency of loans obtained, frequency of CIs approached etc. as a separate value-added product;
- (ix) customise reports as per the specific requirement of a SU as a separate value-added product;
- (x) ensure that credit records of borrowers are regularly updated by CIs and that issues such as non-reporting of repayment of the last instalment of a loan do not arise;
- (xi) be ISO 27001 certified for Information Security; and

- (xii) with a view to decreasing court cases involving CIs and the CIC, address complaints on an urgent basis. A CIC shall, therefore, have a structured process of complaint redressal for which a Consumer Protection Committee under the Board should be constituted.

### Form 3: Uniform Credit Reporting Format for MFIs (Including SHG)

This document provides description of the file format for Microfinance data to be reported to CICs. This format follows Group, Consumer, Account structure – Multiple Groups, Each Group with Multiple Consumers and Each Consumer if taken credit has an account. It is recommended that a separate file is shared with CIC for SHG accounts and JLG + Individual accounts. All Microfinance borrowings in the names of the individuals, regardless of the purpose, should be included in this format. The data should contain all live loan accounts during the relevant period, all accounts which got closed during the period and all accounts which opened during the period. Irrespective of the frequency of data sharing, the format of data sharing remains the same.

#### D. Member/Consumer Segment (CNSCRD)

The Member/Consumer Segment is the third segment in the data submission file. It contains the information necessary to identify the Customer like name, date of birth, the identification numbers like Voters ID, Aadhaar (UID), Driving License and so on. It is present once per Customer. For group loans, Customer means Individual Member within the group.

It is a good practice that the key demographic details of the individual member (name, address, father/spouse name, age, Date of Birth) are captured exactly from one of the standard KYC Identifiers, preferably from UID/Aadhaar, Voter ID, Ration card or MNREGA Job Card.

<sup>15</sup> To be collected at the time of sanctioning a loan to new SHGs or at the time of renewal of existing loans or granting additional loans to the existing SHGs. With the approval of their boards, the banks with Gross NPA ratio exceeding 10% in the SHG loan segment may fix a lower threshold for collecting the information/data indicated in this Table and the next one. This amount will not include any subsidy or margin out of the member's own savings that goes towards funding the activity or the purpose for which the loan is taken (both either back end or front end).

<sup>16</sup> The banks may specifically see if any of the SHG members would fall within the purview of [Reserve Bank of India \(Commercial Banks – Know Your Customer\) Directions, 2025](#) (as amended from time to time) relating to introduction of simplified measures for proof of identity by RBI and offer Small Deposit Accounts/Basic Saving Bank Deposit Account to them. Wherever a SHG member is willing to open such an account, the KYC should be done as per RBI circular and reported to the Central KYC Registry and the CICs. No document to be collected if the KYC has already been done at the time of opening of the Savings bank Account of the SHG member, or otherwise.

<sup>17</sup> The CI to pull out information from Central KYC registry.

\* **Note:** CICs to adopt the following validation approach for 'City' attribute:

- Length check minimum 3 and maximum 40 with special characters and alphanumeric values allowed.
- Validate City name against the junk values created by all CICs based on historical data reported by CIs. Such list may also be circulated amongst all CIs so that they are aware of such junk values which may lead to reduction in DQI score.

### Illustration for calculating Monthly Data Quality Index (DQI) for a CI for one segment

| Date of credit reporting | Number of records in file | DQI of file |
|--------------------------|---------------------------|-------------|
| 9 <sup>th</sup>          | 100                       | 95          |
| 16 <sup>th</sup>         | 120                       | 98          |
| 23 <sup>rd</sup>         | 150                       | 100         |
| Last day of month        | 500                       | 98          |

Calculation for DQI for the month on weighted average basis: -

$$(100 \times 95) + (120 \times 98) + (150 \times 100) + (500 \times 98) = 98$$

---

$$(100 + 120 + 150 + 500)$$
