Introduction

Regional Rural Banks (RRBs), in the course of financial intermediation, are exposed to various financial and non-financial risks, of which credit risk is the one of the most significant risks. If not managed effectively, credit risk may have ramifications for a range of other risk categories too. As credit exposures of RRBs encompass varied sectors, borrower types and products with their own idiosyncratic complexities as well as systemic implications due to interconnectedness among themselves, credit risk management of RRBs involve a range of prudential tools, including statutory and regulatory restrictions / prohibitions on certain activities. Recognising this, the Reserve Bank has, from time to time, issued guidelines to strengthen credit risk management practices.

Accordingly, in exercise of the powers conferred by Sections 20, 21 and 35A of the Banking Regulation Act, 1949, and all other provisions / laws enabling the Reserve Bank of India (hereinafter called the Reserve Bank) in this regard, Reserve Bank being satisfied that it is necessary and expedient in the public interest so to do, hereby, issues the Directions hereinafter specified.

- 1) As a bank is permitted to include revaluation reserves as part of Capital in terms of [Reserve Bank of India \(Regional Rural Banks - Prudential Norms on Capital Adequacy\) Directions, 2025](#), it is necessary that revaluation reserves represent true appreciation in the market value of the properties and banks have in place a comprehensive policy for revaluation of fixed assets owned by them. The records maintained by the Central Registry shall be available for search by any lender or any other person desirous of dealing with the property. 24. The Government of India has issued a Gazette Notification dated January 22, 2016 for filing of the following types of security interest on the CERSAI portal:

Chapter VIA - Maintenance of Cash Credit Accounts, Current Accounts and Overdraft Accounts by Banks

39A. Current Accounts, Cash Credit Accounts (CC), and Overdraft Accounts (OD) may all be used as transaction accounts by the customers, which raises concerns relating to credit monitoring by the lenders. With a view to strengthening credit discipline and facilitating better monitoring of transactions and utilisation of funds, this Chapter provides a framework for maintaining such accounts by banks.

A. Cash Credit Accounts

39B. CC account is operationally different from a current account or OD account, given its primary nature as a working capital facility linked to the value of the borrower's current assets. A bank may provide such cash credit facilities as per the needs of the customer, without any restriction under this Chapter.

B. Current Accounts and OD Accounts

39C. A bank may maintain current account or OD account without any restriction in cases where the aggregate exposure of the banking system to the customer is less than ₹10 crore.

Explanation (1): 'Banking System' for the purpose of this Chapter shall include Commercial Banks (including Small Finance Banks, Local Area Banks, and Regional Rural Banks, but excluding Payments Banks), Urban Co-operative Banks and Rural Co-operative Banks (State Co-operative Banks and Central Co-operative Banks).

Explanation (2): 'Exposure' for the purpose of this Chapter means the sum of all sanctioned fund-based credit facilities and non-fund-based facilities availed by the borrower from the banking system.

¹²Inserted with effect from April 01, 2026 vide [Reserve Bank of India \(Regional Rural Banks - Credit Risk Management\) Amendment Directions, 2025 dated December 11, 2025](#).

39D. In case of customers to whom the exposure of the banking system is ₹10 crore or more:

- (1) A bank may maintain current accounts or OD accounts as per the needs of the customer provided that the bank has either:
 - (i) A minimum 10 per cent share in banking system's aggregate exposure to the borrower; or
 - (ii) A minimum 10 per cent share in banking system's aggregate fund-based exposure to the borrower;

Provided that, in case no bank within the banking system meets the above criteria, or only one bank meets the above criteria, two banks from the banking system having the largest exposures to the borrower may maintain current accounts or OD accounts.

Provided further that, in case where only one bank within the banking system has any exposure to the borrower, one more bank of the customer's choice within the banking system may maintain current accounts, subject to furnishing of a no-objection certificate (NOC) from the bank that has the exposure to the borrower.

Provided further that, in case where no Scheduled Commercial Bank (SCB) meets the above criteria, but the borrower nevertheless desires to have a current account with an SCB, such borrowers may maintain current accounts with any one SCB of their choice, subject to furnishing of NOCs from all lending banks within the banking system.

- (2) A bank, not meeting the eligibility criteria at paragraph (1) above, may maintain only collection accounts.

Explanation: 'Collection Account' for the purpose of this Chapter means a current account or OD account used primarily for receipts of cash inflows of the accountholder. Restricted payments / cash outflows from such account shall be subject to the conditions outlined in paragraph 39F of these Directions.

39E. With a view to ensuring credit discipline, lenders may include additional covenants as per their policies in their loan agreements in mutual agreement with borrowers.

C. Collection Accounts

39F. Funds credited into a collection account shall be remitted within two working days of receipt of such funds to a CC account, current account, or OD account maintained with any bank in the banking system and designated by the borrower for this purpose (hereinafter referred to as 'designated account' in this Chapter). Any disbursement of overdraft limit from an OD account, which is in the nature of a collection account, shall be through the designated account only.

Provided that statutory dues such as taxes, and dues, if any, to the bank maintaining the collection account may be debited before remitting the funds.

D. Exemptions

39G. The restrictions placed in terms of paragraph 39D(1) of these Directions shall not be applicable to the accounts mentioned below:

- (1) Accounts opened as per the provisions of Foreign Exchange Management Act, 1999 (FEMA) and notifications issued thereunder, including accounts mandated for ensuring compliance under the FEMA framework.
- (2) Specific accounts or transactions which are stipulated under a statute or a specific instruction of a financial sector regulator, or the Central Government or a State Government.

Explanation: 'Financial sector regulator' for the purpose of this Chapter refers to the Reserve Bank of India (RBI), the Securities and Exchange Board of India (SEBI), the Insurance Regulatory and Development Authority of India (IRDAI) and the Pension Fund Regulatory and Development Authority (PFRDA).

- (3) Accounts of entities regulated by a financial sector regulator, used for the purpose of carrying out their regulated activities.

Provided that banks operating the above-mentioned exempted accounts shall ensure that transactions in such accounts are used only for the permitted /
